But Japan is ready to meet any movement of the kind, and has the moral support of Great Britain, Italyand the United States. The State Department is awaiting advices anxiously as to the actual facts of China's rejection of the Russian proposal.

All Japanese army officers in this city have been recalled to Japan.

LONDON, March 27 .- The officials of the Japanese Embassy confirm the teport that an Imperial decree has been issued by the court at Stam-Fu, through Liu-Kun-Yi, the Viceroy of Nankin, or-dering that the Manchurian Convention should not be signed March 26, the date nxed by Russia.
